- Showcase your company with a booth, workshop, or as part of the conference keynote
- Choose from a variety of sponsorship packages tailored to your needs and goals

DECOMPILED PARTNERS IN 2025

We let our **partners speak for themselves**

"Practical solutions and open exchange on equal terms – that is the recipe for success at this conference. We have taken away numerous ideas and look forward to applying some of them directly in our projects!"

Andersen,
Sponsor & Partner of DecompileD 2025

"We were not only there as partners, but also took advantage of this wonderful opportunity to be there with many developers from our various teams – to gain new professional insights, refresh contacts and meet new experts."

elevait,
Sponsor & Partner of DecompileD 2025

"As every year, it was great to get together with the (DevOps) community! A perfect mix of knowledge exchange, networking and lots of passion, curiosity and good vibes."

Cloud&Heat Technologies,
Sponsor & Partner of DecompileD 2025

"Year after year, DecompileD is becoming more and more of an absolute highlight for the software community. It offers international flair, speakers from well-known tech brands and lots of people with a passion for software engineering and digital products."

DevBoost,
Sponsor & Partner of DecompileD 2025

It depends on the act of the party. (DJ vs. Liveband)

Exhibition space

Outdoor area / parking lot.
Can definitely be used for promotional purposes.
Caution: Cold!

*+500,00 € (Double the size)

Attractive promotion for your company

DecompileD is not only about professional exchange but also about fun and unforgettable memories. Over the past years, our exhibitors have come up with some creative concepts to attract talent:

- XR games or simulators
- Lounge area with exclusive drinks
- Beer pong, darts, blackjack, table football, and much more

Creativity is key – surprise the crowd with your unique booth design!

Networking in a relaxed atmosphere

Meet future clients, partners, and talents where conversations flow naturally. At DecompiledD, networking happens in a laid-back environment – with plenty of space to connect, exchange ideas, and spark collaborations beyond the usual business setting.

An event organised by

**SILICON
SAXONY®**

Silicon Saxony stands for exciting innovations, up-and-coming companies and intelligent technologies. We bring together the best minds in our industries. In this way, we create a network with commitment and enthusiasm that is second to none. With over 600 members from the fields of microelectronics, intelligent systems and software, we want to change the technological world of tomorrow for the better today.

We look forward to **working together!**
